GENERAL TERMS AND CONDITIONS

Order Confirmation

By confirming the order form, the client agrees to the general terms and conditions of DB Video. These are available at <https://dbvideo.tv/en/db/algemene-voorwaarden>.

Client Responsibility

The client is at all times responsible for any loss, damage, or theft of the rented equipment, including during transport or use. The client acknowledges that the equipment remains the full property of DB Video.

Insurance

The client must insure the rented equipment against damage and loss (including theft) for as long as the equipment is under their supervision. DB Video may request proof of insurance.

Personal Liability

The client is personally liable for all damage caused by the rented equipment.

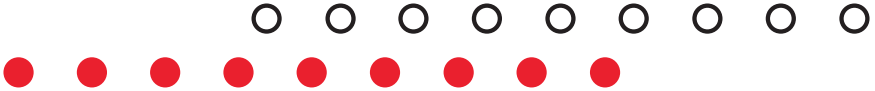

Inspection upon Receipt

Upon receipt, the client must check whether the equipment is in good condition. Any remarks must be reported immediately. Acceptance of the goods confirms correct delivery.

Return of Equipment

All goods must be returned in their original condition. Repairs or modifications without

the consent of DB Video are prohibited. Any resulting damage and/or costs are the responsibility of the client.

Late Returns

Late returns will be additionally charged to the client, including any related costs.

Inability to Deliver

If DB Video is unable to deliver, it will propose alternatives as soon as possible. If these are not accepted, the client may terminate the contract without incurring additional costs. Further compensation is excluded.

Liability of DB Video

DB Video is only liable for direct damage caused by breach of contract or fault, up to a maximum of the amount paid by the client. DB Video is not liable for indirect damages such as loss of profit, reputational damage, data loss, etc.

Payments

All invoices must be paid within 14 days of receipt, unless otherwise agreed in writing.

Complaints and Disputes

Complaints must be submitted in writing by registered mail within 7 business days from the invoice date.
